Ministry of Research and Higher Education

Higher education

The Higher Education Institutions (HEIs) in Poland are divided into two main groups: state (public) and private (non-public) institutions.

There are almost 380 higher education institutions in Poland, most of which offer programmes in both Polish and English.

Many universities focus on particular fields, such as technology, medicine, economics, agriculture and life sciences, pedagogy, art, physical education, maritime sciences, military, ...

You can find more information about the different types of universities and a list of all the public and non-public higher education institutions on the website www.study.gov.pl/.

Application

Applicants need to contact the Admissions Office of the university of their choice and discuss the details of the admissions, such as required documents, deadlines and the start of the programme.

Application deadlines

The application deadlines are set individually for each higher education institution. Applications usually start in April or May and are open until July.

Check the application deadlines on the website of the university!

Requirements

- Application form
- Digital copy of your photo
- Secondary school leaving certificate together with a grades transcript
- Translation of the above-mentioned certificate if it is not in Polish or English
- Certificate confirming the level of language proficiency (level B2 or higher)
- Proof of application fee payment

Applicants may also need:

- Apostille of the secondary school leaving diploma (Ministry of Foreign and European Affairs, Defence, Development Cooperation and Foreign Trade Luxembourg).
- Certificate from the school or the Ministry of Education, Children and Youth that confirms that the school leaving certificate entitles a student to apply to any university in the country it was issued.

Procedure

- Contact the Admissions Office of the university to discuss the details of the admissions process, such as the required documents, deadlines, and the start of the chosen study programme.
- The relevant contact information and links to the admissions rules can be found through the [STUDYFINDER](#) tool (click on “more” for a detailed overview of each programme).

In short:

1. Choose a programme.
2. Choose a university and check their admission requirements and deadlines.
3. Prepare and submit your application.
4. Receive your acceptance letter.
5. Prepare your departure to Poland.

Visa and residence permit

If you are a citizen of an EU member state, the only thing you need to enter Poland is a valid travel document or a document confirming identity and citizenship.

However, if the duration of your stay exceeds three months, a registration of residence is necessary. Students should register with the Voivodship (Provincial) Office within 90 days of their arrival in order to receive a certificate of registration.

 You can find more information on the website of the Office for Foreigners: <https://www.gov.pl/web/udsc-en>

Student life

Check out the “Moving to Poland” section on the website mengstudien.lu for information about student life:

- housing
- student jobs
- social security
- internships

Tuition fees

Fees at public and non-public HEIs are established by the institution itself. The tuition fees range from 2.000 € to 6.000 € per year and depend on the institution and study programme.

- 2.000 € per year (Bachelor programmes & Long Cycle Master)
- 3.000 € per year (Master's programmes)

Financial aid

AideFi

Benefit from financial aid from the Luxembourg government - AideFi.

It consists of several cumulative grants and a student loan and is awarded in two half-yearly instalments per academic year.
